Subject: Re: PIA request for SBAC emails

Hi Bob, I just spoke with Maneka over the phone because I need to amend this request to also include emails between yourself and the candidates and commissioners. It occurred to me that as you serve as a conduit between the commission and the candidates, I would also need your emails. I didn't see a need to limit the time frame of my last request since it only involved the two candidates, but since your communication with the commissioners is on-going, I would also like to specify a time range.

I would like to amend my request in the following way, with the new requests in bold:

I'd like to request copies of all email correspondence between all members of the SBAC, **Bob Mosier** and the two candidates for the vacant position, Cheri Thornton-Conner and Foster Driver **from the month of November 2017.**

Dear Ms. Pacella:

This communication is in response to your request under the Public Information Act, Annotated Code of Maryland, General Provisions Article (GP) §4-101, et seq., seeking "all email correspondence between all members of the SBAC and the two candidates for the vacant position."

This request has been forwarded to the appropriate staff, and pursuant to the Maryland Public Information Act, we will provide that information which is public within 30 days of your request, and certainly sooner if it is readily available. Please note that the Act does not require an agency to create new documents to satisfy a request.

As you may be aware, §4-206 (b) allows a custodian to "charge a reasonable fee for search for, preparation of, and reproduction of a public record." Under the provisions of the Act, the first two hours of labor would be provided free of charge. You would be responsible for reimbursing Anne Arundel County Public Schools for the labor required to complete all other research and compilation of documents.

If we determine that there will be a charge to you, we will notify you before proceeding with your request.

If you have further questions, please feel free to contact me at 410-222-5312 or by email at

rmosier@aacps.org.

Sincerely,
Bob Mosier
